AREA STANDARDS AGREEMENT

This Memorandum of Agreement is entered into as of August 1, 2024 between the International Alliance of Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the United States, its Territories and Canada (hereinafter referred to as the “IATSE”), on its own behalf and on behalf of the Local Unions whose jurisdictions are covered by the 2024 IATSE Area Standards Agreement (such International Alliance and Locals being referred to individually as the “Union” and collectively as the “Unions”), on the one hand, and the Alliance of Motion Picture and Television Producers (hereinafter “AMPTP”) on behalf of those Producers which have effectively consented to be part of the single multi-employer bargaining unit (each hereinafter respectively referred to as the “Employer” and collectively referred to as the “Employers” and listed on Exhibit “A” attached hereto), on the other hand.

This Memorandum of Agreement modifies the Theatrical and Television Motion Picture Area Standards Agreement between the IATSE and the Employers which became effective on August 1, 2021.

All of the provisions of the current Area Standards Agreement between the parties shall remain the same, unless otherwise specifically changed as noted herein. As soon as practicable, this Memorandum of Agreement will be reduced to formal contract language. This Memorandum of Agreement is not contract language, except where the context clearly indicates otherwise.

The provisions herein shall be effective on August 4, 2024 or the first Sunday following notice of ratification, whichever is later, unless a contrary date is specified, in which case such provision shall be effective as of the date so specified.

In consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. **Term of Agreement**

The term of the Agreement shall be three (3) years, beginning August 1, 2024 and terminating on July 31, 2027.

2. **General Wage Increases**

Except as otherwise provided herein, increase minimum contract wage rates in Article 3(A)(1) (the “Maryland rates”), Article 3(A)(2) (the “non-Maryland rates”), Article 3(A)(3) (the minimum contract wage rates applicable to Washington D.C.) and Article 3(A)(4) (the minimum contract wage rates applicable to Maine, Massachusetts, New Hampshire, Rhode Island and Vermont) by seven percent (7%) effective [*insert date that is August 4, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later*] (hereinafter “Year 1 Increase”); by an additional four percent (4%) effective [*insert date that is August 3, 2025 or the first Sunday that is one year following the business day that the AMPTP receives notification of ratification, whichever is later*] (hereinafter “Year 2 Increase”); and by an additional three and one-half percent (3.5%) effective [*insert date that is August 2, 2026 or the first Sunday that is two years following the business day that the AMPTP receives notification of ratification, whichever is later*] (hereinafter “Year 3 Increase”). These increases shall be compounded.

Prior to applying the general wage increases described in Item 2 above, adjust the minimum contract wage rates in Article 3(A)(2) (the “non-Maryland rates”) by two percent (2%) in each year of the 2024 Area Standards Agreement, effective on the same dates as the general wage increases described in Item 2 above, and by two percent (2%) in each of the first two years of the successor agreement to the 2024 Area Standards Agreement, effective on the same dates as the general wage increases in those years. These adjustments shall be compounded. In no event shall these adjustments cause the “non-Maryland” minimum contract wage rate to exceed the “Maryland” minimum contract wage rate for the same classification on the same type of production.

4. **Assistant Production Office Coordinators and Art Department Coordinators on Television**

Increase the minimum wage rates for Assistant Production Office Coordinators and Art Department Coordinators on television to \$28.50 per hour effective [*insert date that is August 4, 2024 or the first Sunday following the business day that the AMPTP receives notification of ratification, whichever is later*]; and to \$30.00 per hour effective [*insert date that is August 3, 2025, or the first Sunday that is one (1) year following the business day on which the AMPTP receives notice of ratification, whichever is later*]. If any of the above-named holidays falls on a Sunday, the following Monday shall be considered the holiday and if any of the above-named holidays falls on a Saturday, the preceding Friday shall be considered the holiday, except that during six (6) day workweeks, Saturday holidays will be recognized on Saturday.”

19. **Article 9 – Payment of Wages**

Modify Article 9 as follows:

“ARTICLE 9 – PAYMENT OF WAGES

“Wages must be paid to employees no later than the Friday following the end of each production workweek.

“Effective [insert date that is August 4, 2024, or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later], paper checks shall be made available to an employee who requests paper checks at the start of employment and designates an address for delivery of same. The Employer shall arrange for paper checks to be printed on site or to be sent to the production office or the employee’s designated address by express mail no later than the Friday following the end of each production workweek. When paper checks are directed to the production office, Employer shall notify the employee no later than the next business day following receipt of the check, and it shall remain available for pick-up for one (1) week. If the employee

does not pick up the paper check from the production office within one (1) week, the check shall be sent by U.S. mail to the employee’s designated address.

“Effective [August 4, 2024, or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]: The payroll start package/forms, whether electronic or hard copy, must be provided to a new employee no later than the end of the first day of employment. Inadvertent failure to do so shall not be considered a violation of this provision. When requested by the employee, the Employer must provide a hard copy of the start package/forms to the employee or assist with completion of the electronic start package/forms.”

20. **Article 10 – Safety and Specialized Work**

a. **Safety Officer Pilot Program**

Employers agree to implement a pilot program in Georgia modeled on California tax incentive legislation (California SB735) as follows during the period July 1, 2025 to and including June 30, 2026:

As part of that pilot program, each of the major studios shall identify at least one (1) dramatic production of 75 minutes or longer (to the extent the major studio has a production shooting in Georgia) to participate in the pilot program. A dedicated, qualified safety officer shall be engaged to conduct a risk assessment for the production and shall be present on each day to implement the risk assessment.

It is understood that any production(s) chosen to participate in this pilot program may also serve as the participating production under other collective bargaining agreements containing similar obligations and that any production(s) chosen to participate in analogous pilot program(s) under other collective bargaining agreements may conversely serve as pilot program(s) under the IATSE Area Standards Agreement.

b. **Firearm Safety**

Add a new subparagraph (G) to Article 10 as follows:

“(G) Firearm Safety

“The parties recognize that firearms are considered props in the film industry and are the responsibility of the Property Master or a professional, skilled and properly licensed technician who is hired by the Employer, works under the direction and supervision of the Property Master and maintains control of the firearms on set (e.g., an 'Assistant Property Master' or 'Prop Weapons'). The Property Master, Assistant Property Master or Prop Weapons will be the individuals acting in the interest of the Employer for obtaining, maintaining and

handling all firearms. The Property Master, Assistant Property Master or Prop Weapons will work in conjunction with the Employer to ensure adherence to the guidelines set forth in the Industry-wide Labor-Management Safety Committee's Safety Bulletins #1 ('Recommendations for the Use of Firearms, Blanks, and Dummy Rounds') and #2 ('Prohibitions and Special Restrictions on the Use of Live Ammunition')."

c. **Specialized Pay Adjustments**

Modify Article 10(B) as follows:

“(B) The employees selected to perform specialized work and Producer are to negotiate and agree upon a rate in advance for such work and, if no agreement is so reached, the employee will not jeopardize working opportunities by refusing to perform such work. The employee may seek assistance from the Business Representative of the Union in connection with these negotiations, provided that there is no delay to the production in doing so. The Business Representative need not be present for the negotiations.

“When an employee covered by this Agreement is working in close proximity and is exposed to the same hazard with the same degree of risk to which another employee covered by this Agreement or the Basic Agreement is exposed who has negotiated a specialized pay adjustment, the employee covered by this Agreement is entitled to that same specialized pay adjustment. In all other specialized work situations, the amount of such adjustment shall be the subject of individual negotiations.

“If an employee is required to sign a waiver for any state or governmental agency or owner of private property and refuses to sign such waiver, such employee may be replaced, but such refusal shall not limit such employee’s future employment opportunities with Producer.

“When Producer knows in advance that such a waiver is required, Producer will advise the Union of the situation.

“Employer shall provide each employee with two hundred fifty thousand dollars (\$250,000) of accidental death and dismemberment insurance for each day on which the employee receives a specialized pay adjustment pursuant to this provision.”

d. **Aerial Lifts**

Add a new subparagraph (G) (“Work in Aerial Lifts”) to Article 10 of the Area Standards Agreement as follows:

“(G) **Work in Aerial Lifts**

“(1) A grip who is instructed to perform work in an aerial lift (e.g. boom or articulating boom) at a height of at least sixty-five (65) feet for four (4) or more cumulative hours within a single shift shall receive an additional three dollars (\$3.00) per hour for the entire shift. An employee who receives increased pay under this subparagraph (1) shall not be entitled to the increased pay under subparagraph (2) below.

“(2) When an ‘on production’ employee works in an aerial lift used as a lighting platform or grip lighting platform at a height of at least thirty-five (35) feet for four (4) or more cumulative hours within a single shift, the employee shall receive an additional one dollar (\$1.00) per hour for the entire shift.”

e. **Work in Extreme Heat and Cold**

Add a new subparagraph (H) to Article 10 of the Area Standards Agreement as follows:

“(H) **Work in Extreme Heat and Cold**

“The Employer shall monitor weather conditions for daily extreme heat and cold temperatures and develop a safety plan for work in extreme heat and cold for ‘on’ and ‘off production’ employees. The safety plan shall include the Industry-wide Labor-Management Safety Committee's Safety Bulletins #34 (‘Guidelines for Working in Extreme Cold Temperature Conditions’), #34A (‘Addendum “A” Wind Chill Chart’) and #35 (‘Safety Considerations for the Prevention of Outdoor Heat Illness’). Safety plans shall be communicated to ‘on’ and ‘off production’ employees.”

21. **Artificial Intelligence**

a. *Add a new Article to the Area Standards Agreement to provide as follows:*

“[##]. **Artificial Intelligence**

“This Article [##] applies prospectively on or after [insert the date that is the first Sunday that is August 4, 2024 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later].

“(a) **Definitions**

“The parties acknowledge that ‘Artificial Intelligence’ and ‘AI’ have become catchall names that generally refer to the ability of a machine-based system to apply analysis and logic-based techniques to solve problems or perform tasks and improve as it analyzes more data. An ‘AI System’ is any machine-based system that uses AI as a core function.

“(1) **Machine Learning**. The parties acknowledge that machine learning (‘ML’) is a subset of AI that enables machines to develop algorithms, including via deep learning (as defined below), based on statistical inferences drawn from patterns in submitted training data, including, but not limited to, diffusion models and large language models, for the purpose of performing tasks. Such tasks include, but are not limited to, predicting human behaviors, disseminating information and generating content.

“(2) **Generative Artificial Intelligence**. The parties acknowledge that generative artificial intelligence (‘Gen AI’) refers to a subset of ML that generates new content including, but not limited to, text, video, audio, three-dimensional (3D) models, code, and images. A ‘Gen AI System’ is any machine-based system that uses Gen AI as a core function.

“(3) **Deep Learning**. The parties acknowledge that deep learning refers to a subset of ML based on artificial neural networks that have multiple layers of connected artificial neuron nodes processing data.

“(4) The terms ‘Gen AI’ and ‘Deep Learning’ are used for convenience and this provision shall also apply to any technology that is consistent with the foregoing definitions, regardless of its name or designation.

“(b) **Existing Technologies and Practices**

“The parties acknowledge that the Employers have historically used digital technologies, including without limitation so-called ‘traditional AI’ technologies programmed to perform specific functions (*e.g.*, CGI, VFX, sound effects), and technologies such as those used during any stage of pre-visualization, pre-production, production, post-production, marketing and distribution and may continue to do so, consistent with their historical practices.

“(c) **New Technologies and Practices**

“(1) The parties acknowledge the importance of human contributions in motion pictures and the need to address the potential impact of the use of AI Systems on employment under this Agreement.

“(2) Use of New Technologies

“(i) An Employer continues to have the right to utilize new technologies in connection with motion picture production, including in connection with creative elements. Employer may require employees to use any AI System¹ or resulting output of such systems for use in connection with the performance of covered work. Employees who are assigned to utilize an AI System to perform services, including by inputting prompts or otherwise overseeing the use of the AI System, shall continue to be covered under the terms of this Agreement while performing such work.

“(ii) The Employer will not require an employee to provide prompts furnished by the employee in the performance of bargaining unit work in a manner that results in the displacement of any covered employee.

“(iii) Should an employee use AI Systems in the performance of covered work, the employee will be required to adhere to the Employer’s policies (*e.g.*, policies related to ethics, privacy, security, copyrightability or other protection of intellectual property rights), which shall be provided to the employee. In any event, the Employer retains the right to require that an employee obtain consent from the Employer before using AI Systems, and Employer retains the right to reject the use of AI Systems or any output from such use, including when the use could adversely affect the copyrightability or exploitation of the work or create other risks or liabilities for the Employer. Employer agrees to provide the International Union with any written policies governing the use of AI Systems by employees covered under this Agreement.

“An Employer’s decision to require an employee to use an AI System in connection with the employee’s performance of bargaining unit work, including for any creative elements or administrative tasks, will be subject to consultation with the employee at the employee’s request, provided that the requirements of production allow time for the consultation.

“(iv) The Employer shall indemnify the employee from liability and necessary costs, including by providing the employee a legal defense resulting from any claims arising from the use of AI Systems or the resulting output occurring in the performance of the employee’s duties and within the scope of the employee’s employment with Employer, subject to the conditions that:

“(A) This subparagraph (iv) shall not apply in any instance in which the injury, loss or damage is the result of or caused by,

¹ Should the Employer agree to use an employee’s own AI System, Employer and employee shall negotiate for reasonable reimbursement for such use.

in whole or in part, the gross negligence or willful misconduct of such employee;

“(B) Employee is not in breach of the Employer’s policies which have been disclosed to the employee and the employee has made appropriate disclosure of the use of AI Systems to the Employer;

“(C) Immediately upon the employee and/or the Union being informed of any claim or litigation, the employee and/or the Union shall notify Employer thereof and give Employer full details of any claim or the institution of any action for which the employee seeks indemnification under this subparagraph, including by delivering to the Employer every demand, notice, summons, complaint or other process received;

“(D) Employer shall name or cover the employee as an additional insured on its errors and omissions policies, if any, respecting motion pictures; and

“(E) The employee shall cooperate fully in the defense of any claim for which indemnification is provided in this subparagraph (iv), including the attending of hearings and trials, securing and giving evidence and obtaining the attendance of witnesses.

“(d) **Implementation of Work Training Programs**

“(1) The parties acknowledge that the preferred method of addressing impact resulting from new technologies is through provision of work training and other programs designed to foster new skills to improve opportunities for employment and effective use of AI tools. The parties agree to cooperate in the establishment of work training and other programs with respect to covered work under applicable Agreements. A committee will be convened for the purpose of formulating and implementing such training and other programs. The training and other programs shall be designed in cooperation between the parties and shall be focused on training employees in (A) skills required to operate AI Systems associated with the employee’s current work classification and/or (B) new skills required to transition to other classifications of work covered by applicable Agreements. The parties agree that the committee shall meet within ninety (90) days of contract ratification.

“(2) *[Discussion of funding mechanism for training through IATTF and CSATF.]*

“(e) **Ongoing Obligations**

“(1) **Joint Industry-Wide Meetings**. The parties agree to meet at least semi-annually during the term of the Agreement at the request of the International Union to discuss and review information related to the Employers’ use and intended use of AI Systems in the production of motion pictures covered under this Agreement and/or the Basic Agreement (the ‘Agreements’), to the extent that such information has been made publicly available. Topics for the meeting shall be identified in advance.

“(2) Each Employer agrees to meet quarterly with the International Union, on a company-by-company basis, during the term of the respective Agreements, at the request of the International Union. At such meeting, Employer will identify any significant emerging technologies utilizing AI Systems that the Employer is using or intends to use in motion picture production which may affect persons covered by these Agreements. Because Employer’s current and future technology may be discussed during these meetings, and in order to protect Employer’s proprietary and/or confidential information, trade secrets and intellectual property, the International Union agrees that its representatives participating in these meetings will be limited to a reasonable number of individuals (*i.e.*, not to exceed eight [8]) representing bargaining units for which the topics identified in advance to be discussed are relevant, and each participating representative will execute a mutually agreed-upon Confidentiality Agreement.

“(3) Topics for discussion at the meetings described in subparagraphs (1) and (2) above may, in addition to other topics related to AI Systems as proposed in advance of the meeting, include:

“(i) the extent to which jobs may have been affected as a result of the use of AI Systems;

“(ii) physical safety protocols involving the use in work environments of AI-controlled equipment including the use of AI-controlled autonomous vehicles and/or robots;

“(iii) efforts to ensure that use(s) of AI Systems mitigate against bias; and

“(iv) possible unique aspects of training for upskilling or reskilling, in connection with subparagraph (d) above, of experienced bargaining unit employees.

“(f) Claims for violation of this Article are arbitrable and must be brought under this Agreement. All remedies are available with the exception of injunctive relief. For clarity, the arbitrator shall have no authority to prohibit or restrict the use of any AI System or the resulting outputs.

“(g) Except as explicitly set forth herein, it is understood that this Article does not expand or contract any existing rights and obligations under the Agreement. Nothing herein alters the scope of coverage under the Agreement.

“(h) No employee shall be subject to scanning of their visual or vocal likeness for use in a motion picture without the employee’s consent. Employer shall provide the employee with a reasonably specific description of the intended use. The consent must be clear and conspicuous and may be obtained through an endorsement or statement in the employment contract that is separately signed or initialed by the employee or in a separate writing that is signed by the employee. A copy of the consent shall be provided to the Union in advance of it being presented to employees. The employee’s consent to such scanning may not be a condition of employment and the consent itself shall clearly state the same.”

b. *Add a Sideletter to the Area Standards Agreement to provide as follows:*

“During the 2024 negotiations, the parties reached agreement to add a new Article [##] to the Area Standards Agreement to address the Employer’s right to use new technologies, including artificial intelligence and AI Systems (as those terms are defined therein), in connection with motion picture production. Article [##] was the result of extensive discussions between the parties, including with their respective experts, and calls for regular meetings between the parties during the term to keep the Union advised and informed of developments in the use of AI Systems affecting bargaining unit members. The parties acknowledge both the Employer’s right to use new technologies involving AI System(s) in Article [##] and the Employer’s obligation, upon request of the Union, to negotiate over any impact of such use on bargaining unit employees as required by law.

“The parties confirm that the foregoing obligation shall not apply when an Employer experiments with using an AI System for the primary purpose of determining, under operating conditions, the feasibility and/or adequacy of performance of any AI System and/or tests the AI System under operating conditions by persons under the jurisdiction of this Agreement on a temporary basis.”

22. **Article 23 - Sick Leave**

Modify Article 23 as follows:

“ARTICLE 23 – SICK LEAVE

“(A) **Sick Leave**

“(1) **Accrual.** Eligible employees covered by the IATSE Area Standards Agreement shall accrue one (1) hour of paid sick leave for every thirty (30)

hours worked for the Employer, up to a maximum of forty-eight (48) hours or six (6) days (up to a maximum of eighty (80) hours or ten (10) days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]). (In lieu of the foregoing hourly accrual of paid sick leave, and provided that advance notice is given to the employee, an Employer may elect to provide employees, upon their eligibility to use sick leave as provided below (i.e., upon working thirty (30) days for the Employer and after their ninetieth (90th) (forty-fifth day, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]) day of employment with the Employer (based on days worked or guaranteed), with a bank of twenty-four (24) hours or three (3) days of sick leave per year (forty (40) hours or five (5) days of sick leave per year, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]), such year to be measured, as designated by the Employer, as either a calendar year or starting from the employee's anniversary date. Under this elected option, such banked sick leave days may not be carried over to the following year.) Employees employed outside California shall be eligible for such sick leave ~~commencing February 1, 2022.~~

“(2) To be eligible to accrue paid sick leave, the employee must have worked for the Employer for at least thirty (30) days within a one (1) year period, such year to be measured, as designated by the Employer, as either a calendar year or starting from the employee's anniversary date. Sick leave may be used in minimum increments of four (4) hours upon oral or written request after the eligible employee has been employed by the Employer for ninety (90) days (forty-five (45) days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]) (based on days worked or guaranteed), such period to be measured, as designated by the Employer, as either a calendar year or starting from the employee's anniversary date. Reasonable advance notification of the need for sick leave is required if the use is foreseeable; otherwise, notice is required as soon as practicable. Sick days accrued on an hourly basis shall carry over to the following year of employment; however, the Employer may limit the use of such accrued time to no more than twenty-four (24) hours or three (3) days (no more than forty (40) hours or five (5) days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later]) during each year of employment as defined by the Employer in advance. To the extent the employee is eligible for paid sick leave in a jurisdiction with a law that cannot be waived in a collective bargaining agreement, any sick leave paid pursuant to the law shall count towards satisfying the Employer's obligations to provide paid sick leave under this Article 23(A).

“(3) A day of paid sick leave shall be equal to eight (8) hours' pay for hourly or daily employees. Four (4) hours of paid sick leave shall be equal to four (4) hours' pay for hourly employees (at the employee's straight time hourly rate). To the extent that an employee works in a classification for which the rate of pay is subject to individual negotiation, and the employee negotiates a weekly guarantee, the rate of paid sick leave shall be computed on the basis of one-fifth (1/5th) of the employee's weekly

rate for a day of paid sick leave (and fifty percent (50%) thereof if a four (4) hour increment of sick leave is taken). Replacements for weekly employees (including “on-call” employees) may be hired on a pro rata basis of the weekly rate regardless of any contrary provision in this Agreement. The employee shall not be required to find a replacement as a condition of exercising his right to paid sick leave.

“(4) Sick leave may be taken for the diagnosis, care or treatment of an existing health condition of, or preventive care for, the employee or the employee’s “family member.”¹³ Sick leave also may be taken by an employee who is a victim of domestic violence, sexual assault or stalking.

“(5) Accrued, unused sick leave is not paid out on termination, resignation or other separation of employment. If the employee is rehired by the Employer within one (1) year of the employee’s separation from employment, the employee’s accrued and unused sick leave is reinstated, and the employee may begin using the accrued sick leave upon rehire if the employee was previously eligible to use the sick leave or once the employee becomes eligible as provided above.

“(6) Employer shall include information in the employee’s start paperwork to advise the employee of the designated Employer representative whom the employee may contact to confirm eligibility and the amount of accrued sick leave available under this California Sick Leave Policy. Such start paperwork also shall advise the employee which period (i.e., calendar year or the employee’s anniversary date) the Employer selected to measure the thirty (30) day and ninety (90) day forty-five (45) day, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later] eligibility periods and the cap on accrual set forth in subparagraph (2) above or which period (i.e., calendar year or the employee’s anniversary date) the Employer selected to apply the bank of three (3) sick days five (5) sick days, effective [insert date that is January 1, 2025 or the first Sunday following the business day on which the AMPTP receives notice of ratification, whichever is later] as provided in subparagraph (1) above. Employer also shall notify the IATSE of the name and contact information of the designated Employer representative.

“(7) Any Employer that, as of June 30, 2015, had a sick leave policy, or paid leave or paid time off policy that permits the use of paid sick time with respect to eligible employees working in California or that, as of February 1, 2022, has a sick leave policy, or paid leave or paid time off policy that permits the use of paid sick time for all other eligible employees, may continue such policy in lieu of the foregoing. Nothing shall prevent an Employer from negotiating a sick leave policy with better terms and

¹³ “Family member” means any of the following: (1) a biological, adopted or foster child, stepchild, legal ward or a child to whom the employee stands *in loco parentis*; (2) a biological, adoptive or foster parent, stepparent or legal guardian of the employee or the employee’s spouse or registered domestic partner or a person who stood *in loco parentis* when the employee was a minor child; (3) a spouse; (4) a registered domestic partner; (5) a grandparent; (6) a grandchild; or (7) a sibling.

conditions. There shall be no discrimination or retaliation against any employee for exercising his or her right to use paid sick leave.

“(8) Any dispute with respect to sick leave for employees covered under this Agreement shall be subject to the grievance and arbitration procedures provided therein.”

23. **Bereavement Leave**

Delete Sideletter No. 1 to the Area Standards Agreement and add a new Article 3(O) (“Bereavement Leave”) to the Area Standards Agreement as follows:

“(O) Bereavement Leave

“In the event of the death of a ‘family member’* of a regularly scheduled employee, the employee shall be allowed up to three (3) days of paid bereavement leave. For employees employed on an hourly or daily basis, a day of bereavement leave pay shall be equal to eight (8) hours' pay at the employee's straight time hourly rate. For weekly employees (including ‘on call’ employees), a day of bereavement leave pay shall be equal to one-fifth (1/5th) of the employee's weekly rate.

“An employee who is absent from work due to bereavement leave will be reinstated to the employee’s original position on the production upon return, provided that the position continues to exist; however, for continuity purposes, an Employer is not required to reinstate an employee on an episodic series until work on the current episode has been completed. The Employer and the Union will discuss on a case-by-case basis, upon the request of the Employer, issues related to the individual’s reinstatement.

“* ‘Family member’ means any of the following: (1) a biological, adopted or foster child, stepchild, legal ward or a child to whom the employee stands *in loco parentis*; (2) a biological, adoptive or foster parent, stepparent or legal guardian of the employee or the employee's spouse or registered domestic partner or a person who stood *in loco parentis* when the employee was a minor child; (3) a spouse; (4) a registered domestic partner; (5) a grandparent; (6) a grandchild; or (7) a sibling.”

24. **Article 14 – No Discrimination**

Modify Article 14 of the Area Standards Agreement as follows:

“There shall be no discrimination against any employee due to race, color, creed, religion, sex, sexual preference, age, qualified disability, national origin or Union membership. The parties reaffirm their commitment to a policy of non-discrimination in connection with the engagement of employees under this Agreement on the basis of race, color, religion, sex (including pregnancy), gender, gender identity, gender expression, veteran status, medical condition (including genetic characteristics), sexual orientation, age, national origin, disability as defined in the Americans with Disabilities Act, marital status, Union membership or any other basis prohibited by applicable law. The matters

covered in this Article are not subject to the provisions of Article 15, ‘Grievance Procedure.’”

25. **Project Information Sheet**

Modify Article 2(C)(1) as follows:

“(C) (1) The Employer shall provide ~~written notice~~ the agreed-upon Project Information Sheet attached as Appendix D to this Agreement, completed to the extent the information therein is known at the time of completion, to the IATSE General Office ~~with the following information, if known (or may submit the information, if known, in the form of a Project Information Sheet, attached as Appendix D to this Agreement)~~ for each theatrical motion picture, television motion picture and covered New Media production on which employees are employed under this Agreement no later than two (2) weeks after opening a production office for such motion picture or production.

~~“Such notice shall contain at least the following information, if known:~~

~~“(a) — Project Title;~~

~~“(b) — Signatory Employer;~~

~~“(c) — Production Compan(ies), if different from Signatory Employer;~~

~~“(d) — Project Type (feature, television, direct to video/DVD or New Media);~~

~~“(e) — Applicable Special Conditions sideletter or New Media sideletter, if any;~~

~~“(f) — Whether the covered New Media production is a “Mid-Budget SVOD” Program covered by the Sideletter re: Productions Made for New Media;~~

~~“(g) — Applicable High Budget SVOD budget tier and subscriber tier, for High Budget SVOD productions covered by the Sideletter re: Productions Made for New Media;~~

~~“(h) — Number of episodes in the initial order;~~

~~“(i) — Production office address and phone number;~~

~~“(j) — Line Producer/UPM/Labor Relations contact(s) with phone number(s) and email address(es);~~

~~“(k) — Payroll service, if applicable.~~

“For episodic series, it is understood and agreed that the foregoing requirement is satisfied by providing a ~~notice (or Project Information Sheet)~~ at the commencement of production of the first season of such episodic series.

“For productions on which employees covered by this Agreement and/or the IATSE Basic Agreement are employed, it is understood and agreed that only one (1) combined ~~notice or Project Information Sheet~~ need be submitted.

“This provision shall not apply when employees are hired under this Agreement to work outside the United States.

“There shall be no penalty for inadvertent failure to comply with this provision.”

Make conforming changes, including by updating Appendix D.

26. **Meal Period Hotline**

Eliminate Article 4(F) of the Agreement.

27. **Subcontracting**

Modify Article 2(B) as follows:

“(B) The parties recognize the existence of past subcontracting practices within the multi-employer bargaining unit established by the IATSE Basic Agreement.

“The Employer, as a matter of preservation of work for employees who have historically and traditionally performed work under the crafts and classifications which are common to both this Agreement and the IATSE Basic Agreement, agrees that as to bargaining unit work of a type which has not heretofore been subcontracted pursuant to such Agreements, the Employer will subcontract such bargaining unit work to any other person, corporation, joint venture or entity only: (1) if the Employer first notified the IATSE in writing of its intention to subcontract, and (2) the direct labor costs of the person, corporation, joint venture or entity who will perform such work under said subcontract are not less than the direct labor costs set forth in this Agreement; or (3) if the Employer lacks the requisite technology, facilities or equipment to perform the work. In addition, the Employer agrees, effective November 1, 2024, to notify the IATSE in writing of its intention to subcontract bargaining unit work of a type that has heretofore been subcontracted in the multi-employer bargaining unit. Except with respect to such notice, nothing in the preceding sentence shall alter the parties’ rights, limitations and restrictions with respect to subcontracting under this Article 2(B).

“In order to effectively enforce the provisions of this Article 2(B), the Employer agrees that records in its possession or those to which the Employer has access pertaining to direct labor costs will be made available for inspection within twenty (20) days after a written request therefor by the IATSE.

“A complaint by the IATSE of a violation of this Article 2(B) shall be subject to the Grievance Procedure set forth in Article 15 of this Agreement.”

28. **Restrooms and Menstrual Products**

Employers agree to issue the following bulletin to appropriate production personnel:

“During the negotiations for the 2024 IATSE Area Standards Agreement, the Union raised concerns about the provision of adequate restroom facilities for employees. Please remind production personnel responsible for setting up restroom facilities that they should ensure that an adequate number of restroom facilities are provided and are cleaned on a regular schedule. Furthermore, productions should make reasonable efforts to provide a gender neutral bathroom, which may include relabeling a single occupancy bathroom to be gender neutral.

“In addition, the Union requested, and the parties agreed, that Employers will make best efforts to provide menstrual products, including tampons and menstrual pads, at no cost to the employee.

“Please ensure that a copy of this bulletin is distributed to the appropriate personnel in your production offices.”

29. **Appendix B - Earnings Reports**

Modify the third paragraph of Appendix B to the Area Standards Agreement to provide as follows:

“APPENDIX B

“Employer has informed the Union that it will be utilizing the services of a payroll company for employees on each film production. At the commencement of each production, the Company shall notify the Union of the applicable payroll company serving said production.

“No more frequently than once per calendar month, Employer shall require such payroll company to provide the Union with an earnings report for employees covered under this Agreement.

“Employer shall not object to such payroll company ~~deduction of~~ deducting all appropriate union dues/service fees from all wages earned by the employees covered by this Agreement who have executed the appropriate payroll deductions authorization form and shall request such payroll company to honor the Union’s request for such deductions. ~~and~~ The Employer shall direct its payroll company to include the ‘Payroll Deduction Consent Form’ provided by the Local Union to include a copy of the ‘Payroll Deduction Consent Form’ with all start packages for all covered employees (see Appendix A), and

to notify the Union of any covered employee who does not voluntarily sign the ‘Payroll Deduction Consent Form.’”

30. **Bulletin Re: Suitable Work Accommodations for Make-up Artists and Hair Stylists**

Employers agree to issue the following bulletin to appropriate production personnel:

“During the negotiations for the 2024 Area Standards Agreement, the Union raised concerns about the working accommodations of employees in the Make-Up and Hair Departments. Please remind your companies to communicate to the production personnel who are responsible for setting up holding areas that they should provide suitable working accommodations to the extent possible and consistent with the shooting site.

“When considering whether working accommodations are suitable, companies should consider factors such as adequate light, protection from the elements, ventilation, bathroom accessibility and maintenance, and compliance with applicable health and safety standards, rules and regulations. Participation of the Hair and Make-Up Department Heads (or their designees) in production logistics meetings may be helpful to identify potential issues with the suitability of working accommodations in advance of the day of shooting. It is understood that the working accommodations will necessarily vary depending on the circumstances of the shooting site.
